Dear Josh:

Your letter of August 10th was both thoughtful and informative.

I have just accepted an invitation to become a member of the Rockefeller University Council and I look forward to attending its meeting on Monday, October 16th, to be followed by the ceremonies attendant upon your formal installation. Indeed, I look forward to seeing you ere then at the luncheon to help welcome you to New York that is being given by John Bowers and the Josiah Macy, Jr. Foundation.

With cordial regards, I am

Sincerely yours,

Bill
